

Hi James

Going into detail now.

This is a copy of the Marc data that Heather creates from ETHOS metadata to feed Aleph so that thesis records also appear in the BL catalogue.

The Explore record is

[http://explore.bl.uk/primo\\_library/libweb/action/display.do?tabs=moreTab&ct=display&fn=search&doc=BLL01017428475&indx=1&reclids=BLL01017428475&reclidx=0&elementId=0&renderMode=popppedOut&displayMode=full&frbrVersion=&frbg=&&dscnt=0&scp.scps=scope%3A%28BLCCONTENT%29&vl\(2084770704UI0\)=any&tb=t&vid=BLVU1&mode=Basic&srt=rank&tab=local\\_tab&dum=true&vl\(freeText0\)=Unfair%20trade%20practices%20and%20safeguard%20actions&dsmtp=1577803734821](http://explore.bl.uk/primo_library/libweb/action/display.do?tabs=moreTab&ct=display&fn=search&doc=BLL01017428475&indx=1&reclids=BLL01017428475&reclidx=0&elementId=0&renderMode=popppedOut&displayMode=full&frbrVersion=&frbg=&&dscnt=0&scp.scps=scope%3A%28BLCCONTENT%29&vl(2084770704UI0)=any&tb=t&vid=BLVU1&mode=Basic&srt=rank&tab=local_tab&dum=true&vl(freeText0)=Unfair%20trade%20practices%20and%20safeguard%20actions&dsmtp=1577803734821)

Note that only new Ethos records are added to Aleph. Updates and edits to Ethos are not fed through to Aleph – so for this thesis the Aleph record and Ethos record are out of synch because the Date of Award has been refreshed in Ethos but not in Aleph.

Sara
