Dear both,

For your information please see below for allegation of defamation. Looks like negative coverage of LSE on a form of Taiwanese media (32.09-100.00). Sue and Rachael have been dealing with requests re: the PhD of the President of Taiwan, Ing-wen Tsai. It seems to be part of a campaign to discredit her by challenging her PhD. <https://thediomat.com/2019/09/taiwan-president-sues-scholars-for-alleging-her-doctorate-degree-is-fake/>

Best wishes,
Stephanie
