Dear Mark,

We have received the attached emails about the PHD for Dr Tsai Ing-Wen who I believe is a candidate for the next Taiwanese presidency. Is this something that you're aware of? As you'll see, the emails have been sent directly to someone in the Library and I am waiting to hear from them about their course of action. Advice regarding a response would be much appreciated.

Fiona, I copy you so you're also aware.

Best,
Laura
