Hello,

I have been looking for a PhD thesis by Ing-Wen Tsai, a alumna of LSE. Her thesis is titled "Unfair Trade Practices and Safeguard Actions" (1984), as cited in the following link.

<https://ethos.bl.uk/OrderDetails.do?uin=uk.bl.ethos.652034>

I checked with the LSE library, but I was told that the library has never carried the above-cited thesis. This confused me.

So, if possible, could you please kindly check your thesis-deposit record and let me know whether or not Tsai's PhD thesis was submitted in 1984 as a final copy as required, and whether LSE did award a PhD degree to Ing-Wen Tsai in 1984 according to your record.

Looking forward to your kind reply and thank you very much for your valuable time.

Best regards,
