Hi there,

Can you let me know when the statement is put up on the web and I'll get in touch with the Law Department and a few others who are getting queries to updated them.

Thanks,

Marcus

All,

To be aware.

I understand that the student record actually went to Tsai's office –who published the material - and [REDACTED] is just using this information.

Separately, I think we need to put a catch-all statement on our website, as this is becoming a waste of everyone's time.

I'll draft something up today.

Best wishes,

Danny
