---

Thanks Danny

Let me know if you want any initial response to continue to come from the Library. Or what procedure you would like us to follow with requests.

Even after the initial flurry we have had 3 or 4 requests each year for the thesis so whether she wins the nomination or not, I imagine interest in it will continue.

Happy to meet if that's easier/quicker.

Clive

Thanks for this Clive.

We're just putting together a version of the response for press/ other external parties.

Separately, we will also retrieve a scan of the relevant 1985/86 calendar page. It's not exactly a smoking gun but might be useful if we start getting more hassle for proof.

I'll ask the School Secretary's office in the first instance...as I imagine they have them to hand.

Thanks,

Danny

Hi All

yes, I dealt with this for the Library first time around.
