Hi Marcus,

I can't find any media (or other) enquiries about verification of the PhD on our side, beyond – 'did she study at LSE?', so do go ahead with contacting [REDACTED].

I've seen there is an article up on an obscure website airing questions about the veracity, based on recent exchanges: <https://taronews.tw/2019/06/11/368467/>

Best wishes,
Danny

Subject: FW: Need to find a 1984 Ph.D. dissertation in your department

Dear Daniel,

It appears that the query from 2015 was dealt with by the Pro-Vice Chancellor's office at the University of London. Let me know if there is any indication from your end that LSE provided anything. Otherwise I will go with this and forward the query to [REDACTED] who is mentioned in the chain below.

Thanks,
Marcus

Marcus Cerny

Hi Marcus,

Further to our conversation, below is the correspondence.

I believe the supervisor was [REDACTED]. No idea who the examiners were I'm afraid, we have no paperwork on this.
