Hi Lina,

Possibly, yes. I'm copying in Clive Wilson from the Library who can confirm either way.

Clive, we've had a few social messages re: Tsai's degree. One of them has a photo of one of your colleagues.

I assume you would like this reported? It's from a pro-China anti-Tsai source.

Danny

Hi Danny,

Hope you had a good weekend. I'm just writing to flag that Sprout has picked up a few messages re Tsai Ing-wen's degree again, and [one of them](#) was posted along with a photo of one of our Library staff members.

Do you think we should report it?

Lina
