Thanks Clive,

Ok for you to respond, ( though, of course, may need to adapt the letter a bit as the draft refers to points in the other letter).

Alternatively, we can collate replies and send tomorrow a.m. Ruth can forward any other messages she receives.

Dear Both

so the standard text I sent you earlier, I had given to our research support team in 2016 to reply to any emails. Now Ruth is quite concerned that her name is out there because she replied to one of those emails.

I am very happy to have it made clear that I was the author of that text. Do you want me to reply to this one directly? Using the text just circulated?

I am leaving now but will logon at home

Clive

Nearly, I got a information that Dr. Tsai, Ing-Wen's ( the president of Taiwan ) thesis - "**Unfair trade practices and safeguard actions**" is disappeared, even counterfeit or ghostwriting.  
**This information may be harmful to LSE and Dr. Tsai's fame.**  
**I really want to know whether this information is correct.**  
**Thank you. Best wishes.**
