Hi all,

Just a few things to be aware of while I'm off. I'm back on Tuesday 24th.

Tsai PhD

We are still getting the occasional email. The latest, brief, version of the statement is below. Versions also in Statements folder.

"The London School of Economics and Political Science and the University of London can confirm that Tsai Ing-Wen completed her thesis and was correctly awarded a PhD in Law in 1984.

"Dr Tsai Ing-wen recently provided the LSE Library with a facsimile copy of the thesis, Unfair trade practices and safeguard actions. This is available to view in the LSE library reading room upon request."

Clive Wilson in the library is still receiving quite a bit of the correspondence, including from the President's office.
